**South Carolina State
Outdoor 2700
Precision Pistol
Championship
.22 EIC Match**

1. A CMP 22 Rim fire Excellence-In-Competition match will be held in conjunction with the South Carolina State Pistol Championship Match on **23 June 2018** at the Mid Carolina Gun Club of Orangeburg, SC. The match will be held in accordance with the current edition of the CMP rules.

All competitors will comply with CMP eligibility requirements including the requirement to provide a notarized **CMP Eligibility Affidavit and Liability Agreement** (*Note: These agreements are required by federal law. Any competitor, who has competed in the National Matches, purchased a government-surplus rifle from the CMP or who provides evidence of having previously signed an eligibility agreement does not have to provide another agreement*). The CMP will confirm eligibility to compete in the EIC match (*Distinguished status, number of EIC matches fired, etc.*) electronically when scorecards are entered in the CMP competitor record system.

The .22 Rimfire EIC Match will begin following the .22 Caliber Matches after a short rest period.

There will be 24 firing points available. A second relay will shoot if necessary.

The entry fee will be \$15.00

In order to ensure the successful conduct of this EIC Match, the CMP will:

- a. Furnish official CMP EIC match scorecards that must be completed by all competitors, regardless of whether they complete the entire course of fire and that must be returned to the CMP within five days after the match.
- b. Post date and contact information about this EIC match in the CMP Competition Tracker web site's "Upcoming Events" list (<http://clubs.odcmp.com/cgi-bin/index.cgi>).
- c. Post and electronic final results list for this match on the CMP Competition Tracker web site's "Competition Results" list (<http://clubs.odcmp.com/cgi-bin/index.cgi>).
- d. Award Excellence-In-Competition credit points and badges to competitors who qualify.

There is no cash award for the .22 Pistol EIC Match.

2015 Mid Carolina Gun Club Distinguished Revolver Match 24 June 2018

MATCH IS TO BE FIRED IN ACCORDANCE WITH THE FOLLOWING RULES:

1. **Eligibility:** Only individuals who are eligible for NRA Pistol Competition pursuant to Section 2 of the NRA Pistol Rules shall be eligible to compete in this program.
2. **Awards:** The NRA Distinguished Revolver Badge will be awarded to those competitors who earn a total of 30 points through unassisted individual competition in NRA Distinguished Revolver Matches. Credit points will be awarded to the highest scoring 10 percent of all non-Distinguished Revolver competitors firing in the match ranked in order of merit. Fractions of .5 and over will be resolved to the next whole number. Smaller fractions will not be considered. The winning 10 percent as described above will be further broken down and credit points awarded as follows:
 - To the highest scoring 1/6th of the 10% qualifying - 10 Points**
 - To the next highest 1/3rd of the 10% qualifying - 8 Points**
 - To the remaining competitors authorized credit points - 6 Points**
3. **Course of Fire:** The NRA National Match Course will be used for all competitions under this program. Tournaments wishing to host competitions under this program are limited to National Championships, State Championships, and Regional Championships as defined in Rule 1.6 which are conducted outdoors. Where a tournament is conducted in a single day, multiple relays of this match may be conducted throughout the day. Where a tournament is conducted across two or more days, multiple relays of this match may be conducted across multiple days and throughout each day.
4. **Rule 3.1.4 Distinguished Revolver:** The revolver must be capable of chambering and firing a 158-grain round nose or semi-wadcutter .38 Special cartridge. It must be a factory manufactured revolver with no external modifications except for stocks which may be modified or changed because of the size of the competitor's hand or to facilitate loading. Except for stocks and the honing of the sear or sear notch to make a more crisp trigger, and maintain 2 ½ lb. minimum trigger pull, no external or internal modification may be made to the revolver as manufactured and sold by the factory of origin. No parts may be removed from the revolver, either externally or internally, nor may any part be added. Specifically prohibited is any system of recoil control based upon compensators, barrel venting, barrel porting weighted grips.
 - a. **Trigger** – Must have single and double action capability and must be capable of lifting 2 ½ lbs. when the revolver is cocked for single action firing. Triggers will be weighed. Any trigger, sold by the manufacture of the revolver, without modification, may be used.
 - b. **Sights** – Fixed or adjustable rear sights may be used. An adjustable front sight is not allowed.
 - c. **Barrel** – Barrel length not to exceed 6 and one-half inches.
 - d. **Stocks** – Except as set forth above, the right and left stocks must be mirror images of each other.
 - e. **Ammunition** – New, factory manufactured ammunition or commercially re-manufactured ammunition: .38 Special 158 grain round nose lead or .38 Special 158 grain lead semi-wadcutter only.
 - f. **The following are not allowed:** Trigger shoes, compensators of any type or design; any external trigger stop device or any internal trigger stop not originally installed by the factory as original equipment in stock revolvers of the same make and model; tape on the stocks, stocks flared at the base or any substance which results in a sticky surface to the stock or hand.
